Boarding House Newsletter: **August 2017**

Dear Parents,

Another busy month with students working on their assessments, study and preparing for the historic Talent Show – which features in early September.

Many August birthdays were celebrated in grand style – here is one of our new boarders – Ik Run Soon(Nelson) with his fellow students wishing him well with a splendid cake on his special day.

Here are two of our lovely Korean female boarders Do-Kyoung Lee and Yoonseo Ko helping in the community after being asked to assist with welcoming visitors from a Korean butterfly organization at our local Monarch Butterfly Trust.

Duong Duc Anh Nguyen (Darren) is leaving for Wellington on Thursday 31st August. He is entering the Casio Mathematics Olympiad at Victoria University. He was initially chosen from 1300 candidates, making it to be among the top 15 in New Zealand. We wish him well in this final round of competition where the winner will be awarded NZD \$1000!!

Dear Parent,

If your child phones you and mentions that they are unhappy – please direct them to Carolyn, the Accommodation Manager. Alternatively, they can email her at aicboardingsuggestion@aic.ac.nz
